

Branson MAYB Shoot-Out June 22 – 24, 2012

2012 Tournament

The Branson Parks & Recreation Department is proud to announce that Andy's Frozen Custard is our title sponsor for this year's MAYB tournament. Andy's Frozen Custard originated in 1986 at the Lake of the Ozarks and has since established its roots in the Springfield and Branson markets while expanding throughout the Mid-west from Texas to Illinois. At Andy's, the frozen custard is made fresh hourly with no expense spared on the toppings that they use to blend into their premium treats. Whether it's the roasted pecans that are shipped weekly from a roaster in downtown Chicago to the kegs of root beer flown in from Milwaukee, Andy's Frozen Custard's passion is in the details of the product. The Andy's experience is a "can't miss" opportunity that you must take advantage of while spending time in Branson. All players will receive an Andy's Frozen Custard treat card for playing in the tournament. You can check them out at eatandys.com or on Facebook at Fans of Andy's Frozen Custard.
