Mid America Youth Basketball administers tournaments throughout the central states region. Over 4000 teams from throughout the United States are participating in MAYB tournaments. The MAYB format offers the opportunity to play an organized 25-30 game season during the summer months without the need to qualify from one week to the next. The tournament's 5 game guarantee provides teams with maximum court time for their money. The goal is that all players who are serious about improving their skills have the chance to do so. MAYB is the most cost-effective way to improve individual and team basketball skills in a competitive setting.
