

MID AMERICA YOUTH BASKETBALL

Tulsa, OK

December 5, 2009

MAYB is coming to Broken Arrow, Oklahoma, this winter. Broken Arrow is on the fast-growing east side of the Tulsa metroplex area. With the system of expressways and interstate highways that are available, and the Creek Nation Turnpike, Broken Arrow is easily accessible from all directions.

We will provide an enjoyable, exciting, well-run, one-day Tournament for the players and their families. We will award trophies to the 1st place team in each division. We will present medals to the players on the 1st and 2nd place teams in each division. All gym facilities are in the Broken Arrow area and are located within minutes of each other.

There are numerous attractions in the Tulsa metroplex area, including several in Broken Arrow. There are many dining and shopping opportunities in Broken Arrow, and many more just minutes away in Tulsa.

One particular attraction that children, young people and families really like is "Tulsa's Incredible Pizza Company." This establishment offers an all you can eat pizza buffet and salad bar. Plus, in the same huge facility there are bumper cars, go karts, mini golf, video games, arcade games, mini bowling and more.

All Games will be played at Childers Middle School, Haskell Middle School, Oliver Middle School, or Sequoia Middle School.

We look forward to hosting your team at our MAYB Tournament.
