

Denver, Colorado is proud to host its fifth annual MAYB tournament. Games will be held at 8 different high schools surrounding the southern Denver metropolitan area. This looks to be the largest single MAYB tournament in Colorado history!

While not doing what they do best, teams can participate in a variety of activities offered in the Denver area. For family fun, Colorado's capital city boasts one of the top ranked water parks in the country, Water World, and Six Flags Elitch Gardens amusement park. For less intense, more relaxing entertainment, visitors can tour Denver Botanic Gardens, one of America's greatest urban gardens covering 23 acres and housing over 15,000 plant species, or the city capital building.

There's something for everyone at the Denver Pavilions, part of the 16th Street Mall, featuring 34 stores, 7 restaurants, and a United Artists movie theatre. To get a taste of Colorado past, teams can travel down Denver's first city street, Larimer Square, which includes 16 renovated nineteenth-century commercial buildings, now home to shops and cafes. Finally, teams can get a true sense of Colorado lifestyle with a visit to Red Rocks Amphitheater, location of summer concerts and hiking trails, and, of course, a home Rockies game at Coors Field.
