

COLORADO SPRINGS, COLORADO. JUNE 15-17

Thank you for considering our Colorado Springs, June 15th tournament this Summer! We are excited to be hosting our 14th straight Summer MAYB tournament. As teachers working in education, we understand the work it takes to provide young people with the opportunity to have a highly valuable experience. Our tournament annually hosts teams from: NM, UT, WY, NE, KS, and TX, and of course the beautiful state of Colorado. We strive for a well organized tournament with excellent officiating and great competition.

Colorado Springs is a wonderful place to visit during the summer. "Must sees" include, Garden of the Gods, a tour of the Olympic Training Center, and climbing Seven Falls. Colorado Springs offers many accommodations in all parts of the area. One hour south of The Springs is world class white water rafting and a beautiful train ride along the Arkansas River through the Royal Gorge.

Please visit the Visitor's Bureau's website for much more information on accommodations, places to see, and things to do. (<http://coloradosprings-travel.com/>)
