Mid America Youth Basketball Colorado Tournament Regulations & Guidelines

1. All teams are guaranteed a minimum of 3 scheduled games. When possible, teams will be ability-grouped after pool play and brackets will be played out.
2. Regulation High School Activities Association rules will be followed with the following exceptions
 - a. 20 minute running clock except for the last 2 minutes of EACH half, unless one team is ahead by 15 points or more in the second half ONLY. In addition, the clock will stop on all technical fouls. Clock does not restart until it would in a normal dead ball situation.
 - b. There is no rule against pressing. However, we strongly encourage setting a good example by displaying good sportsmanship.
 - c. 3rd-6th grade boys will use girl's size ball (28.5) unless both 6th grade teams want to use the men's size ball.
 - d. 5-minute half time and 5 minute pre-game warm-up.
 - e. Game time is forfeit time.
 - f. The home team will be the first team listed (or the top team on the bracket) and will wear the lighter color jersey. Jerseys only need a number on the back and there are no number restrictions.
 - g. 4 full timeouts per game which can be used at any point in the game. One additional timeout will be granted for each overtime period (timeouts remaining from regulation carry over).
3. No locker rooms, balls, or trainers will be provided by the schools.
4. Players may play on only 1 team within a tournament age group. Players eligibility will be checked by a current grade card, if requested. Any protests of eligibility must take place BEFORE a game begins. Players may play "up" in an older age group. This could mean a player plays in the 5th grade division and in the 6th grade division. But they cannot play on 2 teams in the same 5th grade division.
5. Inappropriate behavior will not be tolerated!!! A referee or director may remove players from the game or tournament for inappropriate behavior. Any fighting or threats of violence will result in TOURNAMENT ejections for players, coaches & fans. Players who are ejected from a game for non-violent offenses will be required to sit out the next game of the tournament as well.
6. Referee may stop clock within reason. Intentionally wasting time to shorten the game can be punished by a technical foul. This does not mean a team cannot use a delay offense at anytime they choose.
7. Each tournament site will have a supervisor. Please direct all questions, comments, or concerns to this individual.
8. Tiebreaker procedure is as follows. 1st criteria is head-to-head competition. If a 3 way tie exists & there is no head to head winner, the total point spread will be calculated using the game scores for ONLY the teams involved in the tiebreaker. If a tie still remains, then the total defensive points allowed for ONLY the teams involved in the tie will determine the seeding.
9. Overtimes will be 2 minutes in length with regular stop clock operation. 1 additional time-out for each overtime. There is no sudden death.
10. All roster changes should be emailed to the National Office at least 48 hours before the start of the tournament. The roster you turn in during check-in or list on your scorecard for the first game of each tournament is your roster for the weekend. Make sure to include on this list any player who for any reason is not playing the first game, but intends to play following games.
11. Each team needs to provide a clock operator or score keeper for each game.
14. Our first and primary goal remains to give all players maximum court time to improve their game in a competitive setting. Thank you for participating!
