SUNDAY BRACKET PLAY

The diagram illustrates a hierarchical tree structure. On the left, there are 10 leaf nodes arranged in two columns of five. These nodes are connected to 5 intermediate nodes in the center, which are then connected to 3 final nodes on the right. The connections are as follows:

- The first two leaf nodes on the left connect to the first intermediate node.
- The next two leaf nodes on the left connect to the second intermediate node.
- The next two leaf nodes on the left connect to the third intermediate node.
- The last two leaf nodes on the left connect to the fourth intermediate node.
- The fifth intermediate node is connected to the fifth leaf node on the left.
- The first three intermediate nodes connect to the first final node on the right.
- The fourth intermediate node connects to the second final node on the right.
- The fifth intermediate node connects to the third final node on the right.

SUNDAY BRACKET PLAY

The diagram illustrates a hierarchical structure, possibly a process flow or organizational chart, divided into two main sections by a horizontal line. The top section is labeled "A 1" and the bottom section is labeled "B 1".

Section A 1:

- On the left, there are four vertical columns of boxes. The first column has four boxes, the second has three, the third has two, and the fourth has one. These boxes are connected by lines to a single box in the fifth column.
- The box in the fifth column is connected to a horizontal line that spans the width of the section.
- The label "A 1" is positioned to the right of this horizontal line.

Section B 1:

- On the left, there are four vertical columns of boxes. The first column has four boxes, the second has three, the third has two, and the fourth has one. These boxes are connected by lines to a single box in the fifth column.
- The box in the fifth column is connected to a horizontal line that spans the width of the section.
- The label "B 1" is positioned to the right of this horizontal line.

Text Content:

- The text "Court 4" and "1115am" is located in the middle of the diagram, between the two main sections.

SUNDAY BRACKET PLAY

The diagram illustrates a building layout with a central corridor system. The layout is organized into four main sections, each with a specific label and dimensions:

- Court 2 430pm**: Located in the upper left section, connected to the central corridor.
- Court 4 515pm**: Located in the upper right section, connected to the central corridor.
- Court 4 430pm**: Located in the lower left section, connected to the central corridor.
- Court 4 515pm**: Located in the lower right section, connected to the central corridor.

The layout also includes several smaller rooms and corridors, labeled with letters and numbers (A 1, B 1, B 2) to indicate specific areas. The overall structure suggests a complex, multi-level building design.
